

Serial No. 10/786,416
Preliminary Amendment filed November 24, 2004

BAY-510

REMARKS

Claims 1-18 remain pending in this application. No claims have been amended, canceled or added.

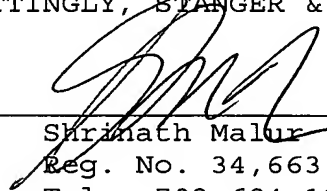

In response to the communication dated November 5, 2004, the first full paragraph of the specification has been amended to reflect the patent number of an application and the correct provisional application numbers. No new matter has been added.

Examination is requested.

Respectfully submitted,

MATTINGLY, STANGER & MALUR
